THIRD SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. §§ 1.97 and 1.98, and in compliance with the duty of disclosure set forth in 37 C.F.R. § 1.56, applicant submits attached Form PTO-SB/08A (modified) for consideration and request the documents cited therein be made of record by the U.S. Patent and Trademark Office in the above-captioned application.

Applicant submits this Third Supplemental Information Disclosure Statement ("Third Supplemental IDS") to, *inter alia*, correct a typographical error in the identification of WO 97/04662, ("WO '662") previously submitted with the Supplemental IDS filed on June 15, 2005, wherein WO '662 was inadvertently identified as "97/041662". Applicant believes that the correct document was submitted on June 15th. Nonetheless, out of abundance of caution, he is filing this Third Supplemental IDS to correct the inadvertent typographical error. The enclosed form PTO-SB/08A correctly identifies WO '662.

Applicant respectfully points out that the submission of the listed documents in this Third Supplemental IDS is not an admission that they are prior art or that they are material to patentability of any claims of the application. Also, the submission of this Third Supplemental IDS is not an indication that a search has been made by Applicant.
